Customer Reviews

If you like detailed pictures to color, this is the book for you. Love it. Pictures are very different also...

This coloring book has very nice smooth paper. It is very detailed. I bought this as a gift and I ended up coloring in it because the pictures are so beautiful! I love this coloring book and would recommend it to anyone looking for a great priced teen/adult coloring book!!!

The illustrator is Forest Diver, which I wish was listed to give credit. This person is a very skilled artist who you can tell took much time in designing the pictures, but it is definitely of a different type than anything I've seen, and very detailed. So you will either love it or not. I like it but I can't say I'd buy another because of all the detail which to me makes it tedious and because the spirits are "hidden" it's hard for me to get a feel for continuity of what colors to use. I do like it, just wanted

others to be aware.

BEEN WANTING A COLORING BOOK THAT WAS DIFFERENT AND NOT THE SAME OLD HUM DRUM DESIGNS.....AND I FOUND IT IN THIS BOOK. IT HAS DRAWINGS THAT ARE SO DIFFERENT ITS AMAZING!!!! AND THEY ARE SO BEAUTIFUL TO. PAGES ARE PRINTED ON ONE SIDE AND ARE HEAVY WEIGHT BUT THEY ARE NOT PERFORATED FOR EASY TEAR OUT. CRAFT KNIFE OR EXACTO KNIFE CAN FIX THAT TINY SITUATION!!!! BOTTOM LINE...THIS BOOK IS HIGHLY RECOMMENDED FOLKS!!!!

This book just blew away every forest books I have. Wow is all I can say. I rarely get this excited because most books I buy for only a few liked pages. The book then gets passed down. This is my forever book. I couldn't find a single page in it that I don't want to color. I am a total fan and crossing my fingers that there are more. If I could give 10 stars I would!!!! I trusted your other reviews, but I have trusted other people's reviews before and was disappointed. There is nothing that disappoints me in this book. It's just so unique and different!

Wonderful drawings, so different and so many of them. TERRIBLE paper !

Not for everyone. I like it because I like Mythical Pagan things. But it may be too strange for some people.

The artwork is adorable. Lots of small leaves to color. Not a lot of opportunity for shading unless you like leaves and trees.I will enjoy coloring because it is fantasy and very different from my other books.
