## Customer Reviews

The star of GREAT WHITE HOPE, STAR WARS, and THE LION KING reads the complete King James Version of the New Testament in a steady, powerful style that only someone with Jones's vocal talents can muster. His performance is beautiful; he reads the entire work in a gentle tone that is so compelling that the listener will find it hard to switch off. Soft piano music with orchestral accompaniment plays in the background like church incense, filling the air with a subtle, tranquil musical aroma. This is a far cry from Jones's Darth Vader. A truly inspiring production. S.E.S. This is a great way to get more Bible into my day. I play it in the back ground while doing housework. Its an easy listen and very clear. Its only the New Testament but I enjoy it regardless. James Earl Jones is a pleasure to listen to.

Excellent set of DVDs. James Earl Jones has a steady, calming voice. I highly recommend this set.

Love listening to "James Earl Jones Reads the Bible". It's hard sometimes for me to focus on reading such readings as the Bible. So much easier to have it read to you and James Earl Jones does a wonderful job doing just that. Love his voice which makes listening to it so much more interesting.

Who wouldn't like the voice of James Earl Jones? This is a great audio version of the King James Bible.

James Earl Jones has a wonderful speaking voice. I was disappointed to hear the music in the background--very distracting. I have purchased the Bible by Alexander Scourby--comes in a very nice case; his voice is wonderful--more inflection than Mr. Jones, which I like--and NO music. Costs a little more; however you get the O.T. as well as the New and a nice case. The other CDs were in a cardboard box without a lid.

Thought I was getting the whole Bible - print size of the title is misleading. But the quality of the product and the price are still excellent. If I had known I was only getting the New Testament - I

would have bought it anyhow.

The tone and smoothness of his voice is amazing. I really enjoy listening to the CDs I would highly recommend the CDs to someone else to listen to.

Bought this for our 5 day trip across the country. We are learning about the Bible, all over again. What better way then with James Earl Jones's voice reading.... I can't wait to learn more...
