Book by Cookbook Resources

This cookbook represents the PA Dutch style of cooking authentically. You don't see recipes that include canned soup or recipes like pizza. The recipes are tried and true wonderful homestyle comfort foods. I so enjoyed sitting down and reading the recipes from cover to cover. I highly recommend keeping this book close in your kitchen for some terrific mealtime ideas and wonderful recipes.

I wanted a from scratch homemade recipe book and this is it. If you want REAL homemade recipes I highly recommend this book, I am so glad I bought this.

Was purchased as a Christmas gift. This book is excellent! The recipes are even better than expected. Just good, down-home cooking. My family has always loved the Pennsylvania Dutch style of cooking, and this cookbook does not disappoint. Very well pleased!

So many recipes exactly like the ones my Pa Dutch grandmother made. I love it
