Customer Reviews

"Use five full-sized mix-and-match pattern pieces to create 22 ponchos, capes, coats and more. All of the easy designs can be made in a few hours, even by beginners." – Sew magazine "Thoroughly 'user friendly' in organization and presentation, Stylish Wraps Sewing Book is unreservedly recommended for personal needlecraft instructional reference collections."

– Midwest Book Review "Known for Japanese fashions for home stitchers, designer Tsukiori (Stylish Dress Book) fills her latest sewing book with patterns for wraps, among them fleece

ponchos, boiled-wool capes, and quilted coats, and haberdashery, including a pom-pom earbob. Each item she features requires at least a modicum of experience to make." [Publishers Weekly](#) "the latest book to be translated to English from Yoshiko Tsukiori that is full of patterns for ponchos, capes, coats, jackets, all the stylish ways you can keep yourself warm." [JapaneseSewingBooks.com](#)

Yoshiko Tsukiori is an icon of DIY fashion, garnering fans in France, Australia, the UK and the North America, as well as in her native Japan. Her designs span from clothes for babies and children to women's daily wear to wedding dresses. She is the author of the universally popular Stylish Dress Book series and many other titles.

My only suggestion - let you customers know what size the patterns go up to. But all in all, the patterns are on sturdy paper. On a few, I will have to adjust the pattern.

please How I can download the pattern to print???? I buy the book by kindle, and I cant download the patters!!! please help!!!!
