I love Annie Lee's folksy style. Her paintings remind me of situations and stories I've been in and heard all of my life. I have several of her prints and figurines, and like to see the images that they were created from. I have been buying Annie Lee calendars every year since they started selling them. I used to buy them at the October Gallery Art Expo in Philadelphia where Ms. Lee was there

to autograph them herself. She is such an approachable person! I suggest you buy early before they sell out each year!

I order one every year. The colorful pages add some spice to the wall in my kitchen where I hang it every year.

I love Annie Lee's work, the calendar is perfect with new art each month! I would totally recommend the calendar to any household who enjoys her work.
