Repercussions From Sexual Sins: The Sexual Revolution Is Wreaking Havoc On The Family, The Church, And The Individual's Relationship With Jesus Christ.

Synopsis

The sexual revolution has impacted our nation, our church and our family. Promiscuity, nudity and sexual obscenities have become commonplace, and our consciences have become desensitized. No longer is there a widespread outcry against the avalanche of filth flaunted daily before our eyes. The repercussions from sexual sin are mounting as moral convictions falter and sexual fads balloon. Neither the nation nor the individual can escape the consequences of disregarding God's commandments. The Bible warns us that, "The wages of sin is death" (Rom. 6:23), and "The way of the transgressor is hard" (Prov. 13:15). Unless these kinds of works of the flesh are quickly mortified, they become demonic strongholds. Sowing to the flesh produces corruption (Gal. 6:8), and corruption (dead flesh) provides a banquet table for unclean spirits. The inevitable consequence of defilement is the loss of fellowship with a holy God. "Pursue holiness, without which no one will see the Lord" (Heb. 12:14). Are the fleeting pleasures of sin worth the forfeiture of our fellowship with God? Learn how to break free from the bondage and repercussions from sexual sin.

Frank Hammond was a graduate of Baylor University and Southwestern Baptist Theological Seminary with over forty years experience as a pastor and teacher in the Body of Christ. He has authored numerous books, DVDs and compact discs on spiritual warfare and family relationships, with translations in several languages. He and his wife, Ida Mae, started in the deliverance ministry in 1968 and had an international ministry.

Any of Pastor Frank literature gets a five star from me first because this man of God writes in a simplistic manner that a 8th grader could get an understanding. 2nd he comes straight from the Word. There is no ifs ands or buts if he states it he can back it up with scripture. This short but powerful book is packed with everything you need for deliverance from lust and all its cousins. I love the dictionary he placed in the back to help clarify so many terms used. So often the church takes on behaviors of the world concerning sexual ideas and advice, like giving our kids condoms but the Word is very clear on the stand we are to take against sexual sin and this book will make it plan what happens when you stand and when you fall. Read it share it!

Hammond again does a great job and has shown he has done his homework. Strong scriptural reference to back his views. A must for anyone interested in this subject and every Christian should be. Reveals much about why people suffer in many ways.

I recommend this book to every christian and those that are struggling with fornication and adultery. It is also a good read for teenagers.

I like the book for the explanation and the prayer section at the end. I will recommend it for everyone who has sexual entanglement.

wow what it is shared i just can't get enough of this authors books such great detail on the teaching it has not only helped me but the youth i have reached with.

Tackles the topic very clearly, concisely, but non- judgemental. Recommend this book. Very good.
