For over 30 years, Tom Stienstra's full-time job has been to capture and communicate the outdoor experience. This has led him across California - fishing, hiking, camping, boating, biking, and flying - searching for the best of the outdoors and then writing about it. Tom is the nation's top-selling author of outdoors guidebooks. He has been inducted into the California Outdoor Hall of Fame and has twice been awarded National Outdoor Writer of the Year, newspaper division, by the Outdoor Writers Association of America. His documentary on the Tuolumne River received an Emmy in 2017. He has also been named California Outdoor Writer of the Year five times, most recently in 2007. Tom is the outdoors columnist for the San Francisco Chronicle; his articles appear on [sfgate.com](#) and in newspapers around the country. He also broadcasts a weekly radio show on KCBS-San Francisco. Tom lives in Northern California. You can contact him directly via the website [tomstienstra.com](#).

Put your shoes on and get outside. This book is the best for finding places to go and get outdoors. I had a copy and either lent it to someone, lost it or something. Ordered another from . Tom is great writer, gives tips on everything from day hikes to extended expeditions. Well worth the money.

Love Stienstra! Very well organized! Love the format!

Lots of great camping options!

great book, looking for places to go around home and in the state when we travel in the RV

Excellent guide

Easy to read and so informative!

We've been using moon books for years. Lived in Washington state prior to moving to California.

Probably 90% of the hikes we did in Washington were out of the moon book. We've already used the Norcal moon book on a few hikes. Easy to find what you're looking and comes with accurate descriptions.

Was chosen as a gift...three times! Our son and his wife do a lot of hiking and live in California, Mammoth Lakes.
