Customer Reviews

the best "In Death" comprehensive list available! The author has even included the in death novellas in the reading order. A MUST HAVE for any fan of JD Robb, whether you're reading the series for the first time or the tenth!

I have read every book in the "In Death" series by J.D. Robb, and I'm always anticipating the next publication. It's exciting and loving at the same time. The characters seem so real. If you like a detective mystery and a warm story of a loving couple, you can't miss with these stories.

Very definitive reading order with synopsis

Love the Eve Dallas books and each one can stand alone, but it's so much better to read them in order. This book really helps to do that.

This is exactly what I needed.

I have read every JD Robb book and can't wait for any new one

very helpful book.

No summaries or checklists. Very disappointing. Returned for a refund immediately.
