Today, Tuttle publishes 150 new titles each year focusing on Asian languages, Asian food & cooking, gardening & flower arranging, crafts & origami, children's books, martial arts, Asian literature, games & graphic novels, Asian history & culture, health & fitness, self-help & Eastern religion, Asian art & collectibles, interior design & architecture, travel guides, maps, and business books. Tuttle products are available in printed formats as well as popular eBook formats.

Paper does not feel like traditional origami paper. It is more like a thick wrapping paper feel. Also, the paper I received was not a perfect square.

The paper is of good quality - somewhat glossy - but it's not truly square. So no matter how hard you try to line things up correctly, it's not going to be perfect. There are some neat patterns included and it also includes some instructions on making different origami figures but they were kind of hard to follow and I ended up looking online for easier instructions.

These little squares are lovely. Just the right weight and as a new beginner with origami really worked perfectly. You get fifteen sheets of each of six patterns here and they are pretty with simple patterns in blue, green and red

Gold away young grasshopper.... With this high quality paper. The real thing is truly worth every penny. It makes a big difference in both the finished projects AND perhaps more importantly the zen journey between where your emptiness begins and your fulfillment begins...

nice paper

I bought this as a Christmas present for my roommate, and she loves the patterns. Almost all of them go together in some way, and the front and back of each sheet is a different, but corresponding pattern. Great quality paper as well

Although there are some problems as many previous reviewer have mentioned, the general quality is good.

Quality is very good and the price very affordable. I am extremely pleased
