Beautiful gift for Christmas. And has all the bonus material!

Loved this series and thought the box set was great! Came with poster/map.

The first book was AMAZING! Read through it in 3 days! The second book was a little less interesting but the story picked up again half way through the 3rd book. I would give the series a 3.5 star review. I wish the last 2 books kept me as hooked as the first did.

This is like a tale in itself I absolutely loved it and now have others reading it!

Perfect gift for our granddaughter. Thanks.

Excellent!!

Great series!

Omg it was one of the best trilogy I've read. Loved it! Leigh Bardugo great job now going to read Six of Crows I order the first two books can't wait to start reading them.
