brought this book for my 7 year old while he was taking drumming lessons. He loves the variety of songs in the book as he uses it to learn how to read notes and to play them

Great selection. CD is good to have. Love it

Very good book. We bought it for my son. He finds it so useful

This book adds new beats with each piece increasing difficulty in each groove. Keeps my son interested and practicing.

Love the hundreds of variations! Great for someone learning to play drums!

The best comprehensive book on every type of beat u can think of. Helps develop rhythm like no other book.
