America's best-selling annual publication, with facts, feature articles, and advice that are "useful, with a pleasant degree of humor."

I subscribe to the old Farmers Almanac email newsletter (I find something useful in every letter!) I saw the kids almanac advertised in the newsletter. Although I didn't know what to expect, I ordered it for my grandkids. It is great - packed with interesting facts and how-tos! It's a toss-up who enjoys it more - me or the kids!

Bought it for our grandson. He loves books like this.

Interesting and lots of info and things to do with kids.
