Ã¢â ¬Æ'The Puzzle Society is the Web's premier source for challenging, professionally constructed puzzles and games. Updated daily and boasting a gaming archive of more than 8,000 puzzles, The Puzzle Society offers more than 70 nationally syndicated puzzles, including the Washington Post Crossword, Los Angeles Times Crossword, Universal Crossword, Universal Jigsaw, and Daily Jumble.

These are fun little puzzles to do. They make you think about what words fit certain descriptions

(like finding the names of five colors) and you still get the fun of doing a word search. Great concept and a lot of fun. Some are easy, some are a challenge. The book is a nice size that it will fit in a purse or tote bag, it can be done while waiting on an appointment or if you just have a few extra minutes of time on your lunch break, etc.

I enjoy these more than regular word searches - you have to come up with the words in categories and then find them or find words that fit in the categories. My grandmother loves these too! Crossword puzzles are too hard for her and word searches are too easy. This fills the bill for her and it really has helped her work out her brain. She has made some up for me to do! I will continue to try to find new sources of these 'word roundups'.

These books are really cute and a great gift. They are small enough to put in your bag when traveling without taking up too much room. The cover is hard enough to write on while on the move and the elastic strap holds it closed well.

I love these little puzzle books. They are small enough to fit in my purse and it keeps me entertained while waiting in lines.

This was fun and different from my previous word puzzles.

Nice

The roundup puzzles are fun, challenging, good for the mind.
